

Life Guard

Responsibilities

- Ensure the environment is always safe.
- Observe the pool users at all times. Focus on weak swimmers or students with particular difficulties. Enforce the Pool rules concerning safety and hygiene.
- Clean the pool both inside and out. Keep all areas clean and tidy.
- Monitor and maintain water quality at all times. Preparation of chemicals.
- Maintenance of plant room and boiler.
- Maintain an accurate logbook.
- Perform general duties eg. Setting up volleyball posts, pumping up balls and occasionally going to the venues to pay for the use of facilities.
- Liaise with ESF Services regarding use of pool outside of school hours.
- Perform any other duties as and when assigned by Line Manager.

Requirements

- Pool Lifeguard Award Qualification and Certificate in First Aid
- Pool Management Certificate would be an advantage
- 3 years of relevant working experience
- Experience in water quality maintenance is essential
- Good communication and interpersonal skills
- Able to work with students

Closing Date: 13/05/2019
